

HAMPTON, PHOEBUS AND OLD POINT.

"FROGS" HAVE A HOP

Celebrated Their First Anniversary Last Night.

LED BY MR. J. H. BONNEVILLE

Organization With Unique Name Entertained Elaborately Large Number of Friends From Hampton, Richmond and Norfolk.

In celebration of the first anniversary of the club's organization, the members of the "Frog" club tendered a number of their friends and acquaintances a delightful and enjoyable dinner in Pythian Castle hall last evening.

The banquet hall never looked prettier than on this occasion. The room was tastefully decorated with the colors of the club—green and yellow—while many yards of multi-colored ribbons were draped around the room.

Ladies Received Souvenirs. One of the interesting features of the evening was the presentation to every lady in attendance of a felt pennant representing the colors of the club. The pennant was of yellow, while the letter "F" was woven in it in green.

Prof. Tessman's orchestra discoursed sweet music throughout the evening, and dancing continued until an early hour this morning, with an intermission at 11:30 o'clock for refreshments.

Led by Mr. Bonneville. Mr. J. Howard Bonneville, former "bull frog" of the club, led the german, introducing many new and intricate figures.

During the evening the entire assemblage was photographed with the "flash light" by Mr. C. E. Cherno.

The Chaperones. The chaperones of the evening were: Mrs. Columbus J. Bonneville, Mrs. Charles A. Junkin, Mrs. Jones and Mrs. Lee.

Organized March 3.

The club was organized on March 3, 1904, and will be one year old next Friday. As many of the members desired to attend the inauguration of President Roosevelt it was thought best to hold the anniversary dance one week in advance of the anniversary date. The charter members of the club were Messrs. W. W. Richardson, Harry L. Hundley, J. Howard Bonneville, W. Houston Face, Stuart A. Johnson, George W. Face.

The New Members.

Since the organization the following members have been elected to the club: Messrs. Carroll Garrett, Harry F. Elam, Thornton D. Bonneville, George Turner, Robert Westbrock, Samuel R. Addison, Carl Fischer, George Massenberg, Edward Mayo, Robert S. Higgins, Jr., Hamilton Richardson, Harry Whiting, John M. Willis, Jr., George Abbott and Bonner Russell.

Present Club Rooms.

The first home of the club was in the Hudgins' building in East Queen street.

Last June a suite of rooms over the banking house of Boynton & Company was leased by the club and have been tastefully and elaborately furnished for the comfort of the members and friends of the organization.

The club has as its main object the promotion of sociability, but the organization is conducted along the line of a secret order. During the year the club has given six balls, two trolley parties, two beach parties, and three stag parties. The club held "open" house on Christmas day.

Meaning of "Frogs."

Considerable interest centers in just how the members of the club settled upon the name "Frogs" for a social organization. It has been suggested that "F-R-O-G-S" are the initials of the words forming the real secret name of the club, but no one but the members can say whether the suggestion is a correct one or not. The members simply stick to the name "Frogs," which is unique in its conception. It is understood that the mysteries of the club are deep and when a member has been acquainted with them it is said he has passed through an exceedingly "worm" initiation.

Officers of the Club.

The officers of the club take their names from various things suggested by the appellation of the club. The president is known as "bull frog," vice president as "spring frog," secretary as "green frog," treasurer as "tree frog," master-at-arms as "master of the pool," tyler as "guard of the pool," the "pool" being the club rooms.

Mr. W. W. Richardson was the first "bull frog" of the organization and Mr. J. H. Bonneville the second. Officers are elected semi-annually.

The present officers are: Bull frog—Samuel R. Addison. Spring frog—George Turner. Green frog—Harry F. Elam. Tree frog—W. Houston Face. Master of pool—Carroll Garrett. Guard of pool—A. Stuart Johnson. The organization is in splendid financial condition.

GUN BARREL WAS LOADED.

Martha Armistead Used It as "Poker" and Was Shot in the Hand.

Martha Armistead, a well known old colored woman, shot herself in the right hand in a peculiar manner in her home in West Queen street early yesterday morning. The old woman was punching the fire with an old gun barrel, which she had used for a "poker" on many occasions, when to her astonishment the barrel exploded, sending the contents through her hand. Fortunately for the woman the shot took an upward course and thereby missed her body. The injury to the hand is a painful, though not dangerous one.

Must Have "Lights" On.

Mr. J. N. Martin, a motorman of the Hampton Roads Company, was before Mayor Jones yesterday to answer the charge of running a car without having a headlight. The mayor issued a warning to Mr. Martin and the company to see that in the future the lights are on each car and then imposed a fine of \$5 upon the company for its negligence.

Barrel Factory.

Mr. J. V. Bickford will in a short while open a barrel factory in Hampton, which will give employment to between 20 and 30 men. The factory will be located on Mr. Bickford's property in East Hampton.
